AIMS AND OBJECTIVES OF IELTS COURSE

Our IELTS Preparation course will help you towards an English language qualification recognized throughout the world.

- Gained techniques to improve your exam skills
- learnt strategies for approaching each part of the test
- practiced in a mock test environment
- a good understanding of your strengths and weaknesses
- a plan of areas to focus your revision
- an understanding of each test area: listening, reading, speaking and writing

WRITTEN COMMUNICATION

Some of the main advantages of written communication are:

- Written communication is good for complicated and vital instructions, which can be given in a precise and uniform manner.
- There is a lesser chance for the message to be misunderstood.
- Written instructions can be checked at a latter date. It serves as a useful reference.
- Authority is transmitted more effectively with a written order than with an oral one

SPOKEN COMMUNICATION

Examples of spoken communication that is used in the workplace include conversations, interviews, counseling/helping colleagues, meetings, conferences

- Oral communication allows for immediate feedback such as the opportunity to ask questions when the meaning is not entirely clear.
- The sender is able to check and see whether if the instruction is clear or has created confusion.
- Spoken instructions are flexible and easily adaptable to many diverse situations.

IELTS (International English Language Testing System) is used to test your ability to follow a course of study in an English-speaking, Reading, Writing and Listening. It is recognized in all over the world colleges and Universities, including the UK, Australia, New Zealand and North America. It tests your ability to read, write, speak and listen in academic or professional contexts.

IELTS Preparation and Exam Preparation course is focused on the skills needed for students to reach their IELTS grades according to the requirements and succeed in an academic environment.

The course aims to:

- Introduce students to and familiarize them with the format and content of IELTS.
- Equip students with effective skills and strategies needed to undertake the IELTS test with confidence.
- Provide material for practice in all areas of the test.
- Administer regular mock tests with individual feedback and advice from certified examiners.
